

PUBLIC NOTICE OF SPECIAL MEETING

The City and Valley Golf Association will be hosting a meeting at 6:30 p.m., Tuesday, March 21, 2017, in the Council Chambers at City Hall, 600 DeMers Avenue NW, regarding how the City and Valley Golf Association can collaborate to enhance and advance this important community asset. We are looking for ideas and discussion about how we can offset the competitive advantages of the public golf courses in Grand Forks where public resources are available to defray costs faced by the privately run Valley Golf Course. In addition we are seeking ideas about ways the City can support the golf course and the residential development at the north end. The goal is to hear from the residents, including members of Valley Golf, as we preserve the good standing of VGA and the City. We hope you can attend this important meeting.

A quorum of Council members may be present at the meeting.
