

Glory Days by Max Lucado

In this book, Lucado has us look at the book of Joshua and to remind us of one important fact: God fights for us! We can overcome, because He has already overcome.

A Rifleman Went To War by Herbert W. McBride

This book not only offers a unique insight into military science, but also how one man emphasized on the use of the military rifle in sniping, its place in modern armament, and the work of the individual soldier is as valuable as the insight given into soldiers' minds.
