

**Weird Nature** by Virginia Loh-Hagan

In this book, we look at world's weirdest nature stories, which extend from fire rainbows to ghost trees. These stories are too strange to be imaginary.

001.94 LOH-HAGAN

**Me Time** by Aubre Andrus

This book provides readers with projects that can help if you are feeling worn down and in need of some time to yourself.

650.1 ANDRUS

**The National Air and Space Museum** by Megan Cooley Peterson

This book provides us with a tour through the museum's collections. From space shuttles and astronaut suits to the Wright brothers' Flyer, it provides you with a detailed idea of the artifacts on display.
