

Understanding Motivation by Kris Hirschmann

In this book, readers will discover what exactly motivates behavior. For example, why does one student spend hours studying for a test while another does not?

153.8 HIRSCHMANN

Polar Exploration by Diane Bailey

This book describes the history of exploration in the Polar Regions, including the continuing efforts to add to early discoveries made by such explorers as Peary and Shackleton.

910.911 BAILEY

Understanding Violent Behavior by Christine Wilcox

This book discusses the human capacity for violence and the root of violent behavior.

155.232 WILCOX

Climate Change and the Polar Regions by Michael Burgan

This book describes indicators of global climate change in the Arctic and Antarctic, including melting ice, discussing the steps that need to be taken, and the obstacles that must be overcome to protect the regions.
