

**Graphic Design** by Donna Reynolds

This book looks at the history and evolution of the graphic arts, and provides innovative examples of this medium.

740 REYNOLDS

**Islam** by Michael Ashkar

This book discusses the origins of Islam, the major sects that follow the faith, important religious centers such as Mecca and Medina, and the elemental religious practices that unite all members of the umma, or Islamic community.

297 ASHKAR

**Hate Crimes** by Meghan Sharif

Hate crimes can take many forms. In this book, readers learn that these offenses often take place because the perpetrator has a fundamental misunderstanding or fear of the people in that targeted group.

364.15 SHARIF

**Judaism** by Adam Lewinsky

This book explores the history, beliefs, and practices of Judaism, examining the differences between three branches of the faith that have emerged in the past two centuries.
