Fire and Blood by George R. R. Martin

This book answers the questions surrounding the Targaryens and their history. With it beginning the tales with the **legendary** Aegon the Conqueror, creator of the Iron Throne, and goes on to recount the generations of Targaryens who fought to hold that iconic seat, all the way up to the civil war that nearly tore their dynasty apart.

Science Fiction MARTIN

An Echo of Murder by Anne Perry

This book delves into the diverse population of Victorian London, whose disparate communities force Commander Monk to rethink his investigative techniques—lest he be caught in the crosshairs of violent bigotry. Only with the help of a local pharmacist acting as translator can Monk hope to penetrate a tightly knit enclave, even as more of its members fall victim to identical brutal murders.
