

**Sisters and Rebels** by Jacquelyn Dowd Hall

Descendants of a prominent slaveholding family, Elizabeth, Grace, and Katharine Lumpkin grew up in a culture of white supremacy. But while Elizabeth remained a lifelong believer, her younger sisters chose vastly different lives using their literary works and organizing efforts to bring the nation's attention to issues of region, race, and labor. With decades of research, the family's private papers, and interviews with Katharine and Grace, *Sisters and Rebels* unfolds an epic narrative of American history through the lives and works of three Southern women.

**Queen of the Mountaineers** by Cathryn J. Prince

Fanny Bullock Workman, an American woman who climbed more peaks than any of her peers and became the first woman to map the far reaches of the Himalayas and the second to address the Royal Geographic Society of London, was instrumental in breaking the British stranglehold on Himalayan mountain climbing. This book brings Workman to life showing how she navigated the male-dominated world of alpine clubs and adventure societies and paved the way for a legion of female climbers.
