MYSTERY LP GRIFFIN

The Guest Book by Sarah Blake

No. It is a simple word, uttered on a summer porch in 1936, but it will haunt Kitty Milton for the rest of her life, becoming her defining moment. Then, in 1959 New York City, two strangers enter the Miltons' circle, insisting that change is coming. And in one night, everything does. So much so that in the present day, the third generation of Miltons doesn't have enough money to keep their island in Maine. Evie Milton, whose mother just died, digs into her past and finds an unsettling story that threatens the foundation of the Milton family myth.
