

East Grand Forks Water & Light Department

Life Connected Since 1909

PUBLIC NOTICE

PLEASE TAKE NOTICE that the Water & Light Commission has approved resuming assessing penalties on bills rendered in September 2021, commencing with the South End mailing on or about September 15, 2021. A penalty of 10 per cent of the current billing will be added if not paid within 10 days from date of bill rendered.

If you are behind on your utility bills, there are options available for assistance. The energy assistance program helps low-income households pay a portion of their heating and electric bill. Payments are made directly to the household's utility. Keep in mind that income limits have increased so you may qualify even if you have not in the past. If you are interested in applying for energy assistance or have questions, call Tri-Valley Opportunity Council in Crookston 1-866-264-3729.
