CITY OF EAST GRAND FORKS
CHARTER

Chapter I
Name, Boundaries and Powers

Section 1.01 Name and Boundaries. The City of East Grand Forks in the County of Polk and State of Minnesota, shall, upon the taking effect of this charter, continue to be a municipal corporation under the name and style of the City of East Grand Forks, with the same boundaries as now are or hereafter may be established.

Section 1.02 Powers of the City. The City shall have all powers which it may now or hereafter be possible for a municipal corporation in this state to exercise in harmony with the constitution of this state and of the United States. It is the intention of this charter that every power which the people of the City of East Grand Forks might lawfully confer upon themselves, as a municipal corporation, by specific enumeration in this charter shall be deemed to have been so conferred by the provisions of this section. This charter shall be construed liberally in favor of the city, and specific mention of particular powers in the charter shall not be construed as limiting in any way the generality of the power herein sought to be conferred.
Chapter II

Form of Government

Section 2.01 Form of Government. The municipal government provided by this charter shall be known as the Mayor-Council plan of government. Subject only to the limitations imposed by the constitution or statutes of the State of Minnesota and by this charter, all powers of the city except as otherwise provided in this charter shall be vested in a mayor and elective council, hereinafter referred to as “the council”, which shall enact local legislation, adopt budgets and determine policies. The council may create such departments, divisions, bureaus, commissions and boards for the administration of the city’s affairs as it may deem necessary for efficient government, and from time to time may alter the power and organization of such departments, divisions, bureaus, commissions and boards as the council may create.

Section 2.02 Wards. The city shall be divided into five (5) wards, and existing wards and ward boundaries shall continue until such time as they may be changed as herein provided. The council may by ordinance increase or decrease the number of wards in the city. In the event the council should increase or decrease the number of wards, the number of ward aldermen to be elected, as provided in Section 2.03 of this charter, shall be increased or decreased by the same number.

Subdivision 1. The council shall by resolution redefine and rearrange the ward boundaries so that the wards shall be as equal in population as practicable and each ward shall be composed of compact, contiguous territory. Each councilman shall be a resident of the ward from which they are elected, but a change in ward boundaries does not disqualify a councilman from serving the remainder of his term.

Subdivision 2. The council by resolution may redefine ward boundaries after any regular municipal election. Within six months after the official certification of each federal decennial or special census the council shall either confirm the existing ward boundaries as
conforming to the standards of subdivision 1 or redefine ward boundaries to those standards. Any resolution establishing new ward boundaries shall apply to the first election held at least ninety (90) days after adoption of the resolution. If the council fails to take either action within the time required, no further compensation shall be paid to the mayor or councilmen until the wards of the city are redefined as required by this charter.

Section 2.03. Elective Officers and Elections. The elective officers of the city shall be one mayor, one ward alderman elected from each ward in the city, and two aldermen elected from the city at large. Each ward alderman shall be a resident of the ward from which they are elected and shall serve for a term of four (4) years and until his successor is elected and qualifies, except as provided in this section. Each alderman-at-large shall be a resident of the city and shall serve for a term of four (4) years and until his successor is elected and qualifies, except as provided in this section. At the first election held after adoption of this charter, the three (3) aldermen-elect from the odd-numbered wards shall serve for four (4) years, and the other two (2) aldermen-elect from the even-numbered wards shall serve for two (2) years; and of the two aldermen elected at large, the one receiving the highest vote shall serve for four (4) years and the other successful candidate shall serve for two (2) years. Commencing in the year 1992, the mayor shall serve for a term of four (4) years and until a successor is elected and qualified.

Section 2.04. Vacancy in Office. An elective office becomes vacant when the person elected or appointed thereto dies before taking office or fails to qualify therefore on or before the second regular monthly meeting of the Council held after the beginning of the term of such office, or the incumbent dies, resigns in writing filed with the City Clerk, is convicted of a felony before or after qualifying for such office, ceases to reside in the city or the ward from which they were chosen, except as provided in Section 2.02, subdivision 1 of the charter, or is adjudged incompetent by a court of competent jurisdiction. If an elected official without good cause fails to perform any of the duties of his office for a period of three months, the office of such member shall be deemed vacant. In each such case the Council shall by Resolution appoint an eligible person to serve until the qualification of a
successor is elected at a regular city election. If the vacancy occurs before the first day to file affidavits of candidacy for the regular city election, the appointed person shall serve until the qualification of a successor for the remainder of the unexpired term who is duly elected at a regular city election. If the vacancy occurs after the first day to file affidavits of candidacy for the regular city election, the appointed person shall serve until the qualification of a successor elected at the next ensuing regular city election. In the event that the vacancy is for Alderman-at-Large, persons filing for said office shall indicate on their filing papers whether they are filing to fill the unexpired term of office, or whether they are filing for the regular four (4) year term of office. Persons shall not be permitted to file for both the regular term of office at the same regular city election. This amendment is effective upon passage as provided by Section 410.12, subdivision 7, of Minnesota Statutes.

Section 2.05. Office of the Mayor. The mayor shall be the chief executive officer of the city. The mayor shall exercise all powers and perform all duties conferred and imposed upon the mayor by this charter and by ordinances of the City of East Grand Forks or the laws of the State of Minnesota. They mayor shall be recognized as the official head of the city for all ceremonial purposes, by the courts for the service of civil process and by the governor for the purpose of martial law. The mayor shall study the operations of the city government and recommend to the council such changes and improvements as the mayor believes to be desirable. The mayor shall also report to the council any neglect, dereliction of duty, or waste on the part of any officer or department of the city. The mayor shall appoint the chief of police and all police officers. The mayor shall prepare such regulations for the control of the police force, and the powers and duties of the officers thereof, as the mayor shall deem necessary, and in like manner the may alter the same. The mayor shall have no vote on matters before the council, except in the event of a tie vote among the other members of the council, in which case the mayor shall vote as a member of the council.

Section 2.06. Acting Mayor. In the event of a vacancy in the office of mayor or the absence of or in the event of the disability of the mayor, the mayor’s duties shall be performed by the president of the council, or if the president of the council is absent or
incapacitated, the vice-president of the council shall exercise the powers and perform the duties of the mayor during such absence or disability. While so acting they shall be styled “Acting Mayor,” and the acting mayor’s acts in that capacity shall have the same force and effect as if performed by the mayor.

Section 2.07. Investigation of City Affairs. The council or any officer or officers authorized by the council shall have the power to make investigations into the city’s affairs, administer oaths, and compel the production of books and papers. The council shall provide for an audit of the city’s accounts at least once a year by the state auditor’s office or by a public accountant. The council may at any time provide for an examination or audit of the accounts of any officer or department of the city government, and it may cause to be made any survey or research study of any subject of municipal concern.

Section 2.08. Salaries. The mayor and the alderman shall receive such compensation as is fixed by the council in accordance with law. All subordinate officers and employees of the city shall receive such salaries or wages as may be fixed by the council.
Chapter III

Section 3.01. Council Meetings. The council shall meet regularly at least once each month at such times and places as the council may designate by rule. To the extent provided by law, all meetings of the council and its committees shall be public and any citizen shall have access to the minutes and records of the council at all reasonable times.

Section 3.02. Legislative Power Vested in the Council. The legislative power and authority of the city shall be vested in the council, composed of the aldermen of such city as herein provided.

Unless otherwise expressly provided in the charter, the council shall have all powers granted to the city, including management and control of the finances and property of the city with full power and authority to make, ordain, establish, publish, alter, modify, amend and repeal ordinances, resolutions, rules and regulations for the government and good order of the city. It shall have full power and authority to declare and impose penalties and punishment against any person, firm, or corporation violating any ordinance, rule, or regulation. Its ordinances, rules, and regulations shall have the force of law.

Section 3.03. Organization. The council shall, biennially, on the first Tuesday after the first Monday in January next succeeding the city election, meet at the usual place and time for the holding of council meetings. At this time the newly elected members of the council shall assume their duties and shall proceed to elect from their own number a president and vice-president for the ensuing two years, and such officers as may be necessary for the transaction of business. Such elections shall be by ballot and the affirmative vote of the majority of all the members elect shall be necessary to elect.

Section 3.04. Duties of President. The president, and in case of the absence of the president the vice-president, shall preside over the meetings of the council, and shall sign all resolutions and ordinances passed by the council, and during the absence of the mayor from
the city, or the mayor’s inability for any reason to discharge the duties of the mayor, under the style of “acting mayor.” The acts of such acting mayor shall have the same force and effect as if performed by the mayor.

**Section 3.05. Rules and Special Meetings.** The council shall determine its own rules and order of business. A majority of all members shall constitute a quorum, but a smaller number may adjourn from time to time. The council may by rule provide a means by which a majority may compel the attendance of absent members.

**Section 3.06. The Clerk-Treasurer Shall Act as Secretary of the Council.** The clerk-treasurer shall keep a journal of council proceedings and perform such other duties as this charter or the council may require. The council may designate any other city official or employee, except a member of the council, to act as secretary of the council.

**Section 3.07. Ordinances and Resolutions.** Every legislative act of the council shall be by ordinance unless otherwise provided by this charter or by state law. The enacting clause of all ordinances shall be in these words: “The City of East Grand Forks ordains.” No ordinance, except for general appropriations, shall contain more than one subject, which shall be expressed in its title, nor shall any ordinance be amended after its introduction so as to change its original purpose.

**Section 3.08. Ordinance Readings.** No ordinance shall be introduced except at a regular meeting, at which meeting it shall have its first reading. It may be amended before being given its second reading, but such amendment may not change its original purpose. It shall receive its second reading and be passed only at a regular meeting occurring at least seven (7) days subsequent to the time at which its introduction and first reading was had.

**Section 3.09. Passage of Ordinances and Resolutions.** Every ordinance, order and resolution shall require the affirmative vote of a majority of all the members of the council, except where a larger vote is required by this charter or by state law, which vote shall be
taken by ayes and nays, which shall be entered upon its journal. No vote of the council shall be reconsidered or rescinded at a subsequent meeting unless at such a meeting there are present as many members of the council as were present when said vote was taken.

Section 3.10. Approval of Ordinances and Resolutions--Veto Power. Every ordinance and resolution shall, before it takes effect, be forthwith presented to the mayor for approval. If the mayor approves, the mayor shall sign the same; but if the mayor disapproves it, the mayor shall return it to the council with the mayor’s objections thereto, by depositing the same with the clerk-treasurer, to be presented to the council at the next regular meeting thereafter.

Section 3.11. Reconsideration of Ordinances. Upon the return of any ordinance, order or resolution by the mayor, the vote by which the same was passed shall be deemed to have been reconsidered, and the question shall be again put upon the passage of the same, notwithstanding the objections of the mayor; and if upon such vote the council shall pass the same by a vote of three-fourths (3/4) of all its members, it shall have the same effect as if approved by the mayor, and in such case the vote shall be by ayes and nays, which shall be entered by the clerk-treasurer of record. No ordinance shall be signed by the mayor within four (4) days after the same is presented to the mayor, and if any ordinance, order or resolution shall not be returned by the mayor within ten (10) days after the same is presented to the mayor, it shall have the same force and effect as if approved by the mayor. The clerk-treasurer shall endorse upon each such ordinance and resolution the time when the same was delivered to the mayor, and the time when it was returned to his office by the mayor. Every ordinance shall be published at least once in the official newspaper of the city after approval by the mayor or after passage by a three-fourths (3/4) vote of the council over the mayor’s veto, and shall be recorded in a book kept for that purpose, which record shall be attested by the clerk-treasurer.

Section 3.12. Effective Date of Ordinances and Resolutions. Every ordinance shall be approved by the mayor and published and recorded by the clerk-treasurer before it
takes effect. Every resolution shall be approved by the mayor and recorded by the clerk-treasurer in his office before it shall take effect. Approval by the mayor shall not be required if the ordinance or resolution is passed by the council by a three-fourths (3/4) vote of all its member over the mayor’s veto.

**Section 3.13. Amendment and Repeal of Ordinances and Resolutions.** Every ordinance or resolution repealing all or part of a previous ordinance or resolution shall give the number, if any, and the title of the ordinance or resolution to be repealed in whole or in part. Nor ordinance or resolution shall be amended by reference to the title alone, but such an amending ordinance or resolution shall set forth in full each section or subdivision to be amended and shall indicate by appropriate type or symbols matter to be omitted or added.

**Section 3.14. Emergency Ordinances.** An emergency ordinance is an ordinance necessary for the immediate preservation of the public peace, health, morals, safety, or welfare in the emergency as defined and declared in the preamble thereto, and is adopted by a vote of at least three-fourths (3/4) of all the members of the council. No prosecution shall be based upon the provisions of any emergency ordinance until twenty-four (24) hours after the ordinance has been filed with the clerk-treasurer and posted in three (3) conspicuous places or until the ordinance has been published, unless the person charged with the violation had actual notice of the passage of the ordinance prior to the act or omission complained of.

**Section 3.15. Emergency Bids.** The requirements set forth herein and in the laws of the State of Minnesota for competitive bids may be dispensed with if the council by a three-fourths (3/4) vote of all the members of the council shall pass a resolution setting forth that competitive bids shall not be required due to an emergency and it is essential to the health, safety or welfare of the people that immediate action be taken and there is insufficient time for competitive bids.

The annual budget finally agreed upon shall set forth in detail the complete financial plan of the city for the ensuing year for funds budgeted and shall be signed by a majority of the council when adopted. The council shall adopt the budget by a resolution which shall set forth the total for each budgeted fund. Each department shall segregate as to objects and purposes of expenditure in such manner as the council deems necessary for the purpose of budget control. The council shall also adopt a resolution levying whatever taxes it considers necessary within the per capita limits established by statute and in addition thereto any other taxes as authorized by law for the ensuing year for the total budget. The tax levy resolution shall be certified to the county auditor in accordance with the law. At the beginning of the fiscal year, the sums fixed in the budget resolution shall be and become appropriated for the several purposes named in the budget resolution and no other.

Each transfer shall be used only for the emergency as designated by the council.

Section 6.10. **Disbursements. Disbursement shall be made by check signed by the mayor and the clerk-treasurer, specifying the purpose for which disbursement is made and the fund from which it is drawn. No such check shall be issued until there is money to the credit of the fund from which it is to be paid sufficient to pay it together with all outstanding encumbrances on the fund. No such check shall be issued until the claim to which it relates has been supported by an itemized bill, payroll or time-sheet approved and signed by the responsible city officer who vouches for its correctness and reasonableness. The council may by ordinance make further regulations for the safe-keeping and disbursement of funds.

Section 6.11. **Accounts and Reports.** The clerk-treasurer shall be responsible for all the accounts of the city and every branch thereof, and the council may prescribe and enforce proper accounting and monthly reporting methods, forms, blanks, and other devices consistent with the law, this charter, and ordinances adopted in accord therewith. Section 6.14. Public Improvements--Financing. Whenever any public improvement is ordered by the council, pursuant to Chapter 429 of Minnesota Statutes, the cost of which is to be paid wholly or partly from the proceeds of special assessments levied upon property specially benefited by the improvement, and not less than twenty (20%) percent of the cost of the improvement is to be assessed against benefited property, the city may also issue temporary certificates of indebtedness locally to finance the improvement while in the construction period. When all related improvement costs are determined and finalized, then permanent certificates of indebtedness shall be issued to finance the improvement. Such permanent certificates of indebtedness shall bear interest rates and maturity dates as determined by the council and as provided by the laws of the State of Minnesota.

Section 6.15. Anticipation Certificates. At any time after January 1 the council may issue certificates of indebtedness in anticipation of the collection of state and federal aids and collection of taxes levied the previous year for any fund and not yet collected. The total amount of certificates issued against any fund or any year, together with interest thereon until maturity, shall not exceed the total state or federal aids or current taxes for the fund uncollected at the time of issuance. Such certificates shall be issued on such terms and
conditions as the council may determine, but they shall become due not later than April 1 of the year following their issuance. The proceeds of the fund against which anticipation certificates are issued and the full faith and credit of the city shall be irrevocably pledged for the redemption of the certificates.

**Section 6.16. Emergency Debt Certificates.** If in any year the receipts from taxes or other sources should for some unforeseen cause become insufficient for the ordinary expenses of the city, or if any calamity or other public emergency necessitates the making of extraordinary expenditures, the council may by ordinance issue on such terms and in such manner as the council determines emergency debt certificates to run not to exceed three years. A tax sufficient to pay principal and interest on such certificates within the margin required by law shall be levied as required by law. The ordinance authorizing an issue of such emergency debt certificate shall state the nature of the emergency and be approved by at least two-thirds (2/3) of all members of the council. It may be passed as an emergency ordinance.

**Section 6.17. Financing Purchase of Certain Equipment.** The council may issue certificates of indebtedness within existing debt limits for the purpose of purchasing fire or police equipment or ambulance equipment or street construction or maintenance equipment. Such certificates shall be payable in not more than five years and shall be issued on such terms and in such manner as the council may determine. If the amount of the certificates to be issued to finance any such purchase exceeds one percent of the assessed valuation of the city, excluding money and credits, they shall not be issued for at least ten days after publication in the official newspaper of a council resolution determining to issue them; and if before the end of that time, a petition asking for an election on the proposition signed by voters equal to ten percent of the number of voters at the last regular municipal election is filed with the clerk-treasurer, such certificates shall not be issued until the proposition of their issuance has been approved by a majority of the votes cast on the question at a regular or special election. A tax levy shall be made for the payment of the principal and interest on such certificates as in the case of bonds.
