Rebate Qualifications

- The equipment must be Energy Star and be listed on the AHRI website:
 - Central Air Conditioner-----SEER ≥ 15
 - Air Source Heat Pumps -----SEER ≥ 15 and HSPF ≥ 8.5
 - Mini Split Ductless A/C & ASHP-----SEER ≥ 15 and HSPF ≥ 8.5
 - Geothermal Closed Loop Heat Pump ----- EER ≥ 16.1
- **Rebates must be claimed within 6 months of the purchase date on the sales receipt.**
- Only Customers in the EGF Water and Light service area are eligible for rebates
- Only 1 rebate/unit/customer/10 years
- Rental units are eligible for rebates at 1 rebate/piece of equipment/unit/10 years.
- The cost of the appliance must be greater than twice the rebate amount for that unit.

Application

- Submit a completed application along with copies of receipts/invoices which include: Customer name, date of sale, manufacturer name, model # and date of installation
- **Copy of AHRI Certificate with proof of the SEER or HSPF rating or proof of ECM motor must accompany your application.**
- Rebates under \$200 will be paid as a credit on your utility bill.

Inspection and Verification

The Department reserves the right to conduct an inspection to verify installation of the heating/cooling equipment at the address indicated on the application form. If the Department finds that the customer has not met its rules, any rebate the customer has received must be returned to the utility.

Application Limits

- Rebates are processed on a first-come first-serve basis
- Rebate qualifications and amounts are subject to change at any time. The Heating/Cooling Equipment Rebate Program will stay in place each year unless amended or eliminated.
- The Department reserves the right to limit the maximum amount of rebate per customer in any one year depending on the Department’s Conservation Budget.
- The Department does not guarantee that the installation of high-efficiency material or equipment will result in reduced usage or demand or in cost savings.
- The Department makes no warranties, expressed or implied, with respect to any material or equipment purchased and/or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event will the Department be liable for any incidental or consequential damage.
- The Department is not liable for rebates promised to a customer as a result of a contractor misrepresenting the program.
