## COMMERCIAL ENERGY MISER REBATE:

- Rebates are available to non-residential customers of East Grand Forks Water and Light. All products must be in use in facilities in the Utility service territory.
- **Submit a proposal to the Business Office for review & approval prior to proceeding with the purchase & installation of Energy Misers.**
- The Utility reserves the right to inspect the Customer's facility through on-site visits before and after new equipment installation to verify rebate eligibility.
- Qualifying equipment must be installed and operational within six (6) months of application approval. In no case will the rebate paid by the Utility exceed 50% of the purchase price of the equipment.
- Following completed installation, the customer must notify the Utility and submit a completed application along with original invoices specifying the quantity and price of all materials purchased & the date ordered. After satisfactory review of the application and invoices (and on-site verification if Utility chooses), a rebate check will be issued to the customer. Please allow 6-8 weeks for the rebate check to arrive.
- To be eligible for a rebate, the Energy Miser installation must meet the following conditions
  1. Refrigerated vending machines only.
  2. Vending machines that contain non-perishable goods only.
  3. Indoor vending machine locations only.
  4. Machines **not** located in areas with constant activity (24 hours) only.
- Rebate requests are processed on a "first-come first-serve" basis. The Department will not rebate for the same installation more than once during the estimated life of the installation. The Department reserves the right to limit the maximum amount of rebate per facility/customer in any one year depending on the Department's Conservation Budget.
- The Utility will not be responsible for any tax liability imposed as a result of the rebate payment(s). Customers are advised to consult their tax advisors for detail.
- Rebate program qualifications and amounts are subject to change at any time.
- The Commercial Energy Miser Rebate Program will stay in place each year unless amended or eliminated.
- *The Department has set a 10 year maximum rebate, when combining all Commercial Rebates, at \$100,000.00 per facility.*

## Warranty Information

Warranties are between the customer and the equipment manufacturer. East Grand Forks Water and Light makes no warranties, expressed or implied, with respect to equipment operation, material, workmanship or manufacturing. East Grand Forks Water and Light does not guarantee that a specific level of energy or cost savings will result from the implementation of energy conservation measures or the use of products funded under this program. In no event shall East Grand Forks Water and Light be liable for any incidental or consequential damages.

Providing a rebate does not constitute an endorsement of any specific Energy Miser equipment, nor does it imply that any unlisted vendors or products are deficient or defective in any way.
